MEMORANDUM TO: Executive Director, NPIC  
FROM: Chief, CIA/PID(NPIC)  
SUBJECT: New Form of CIA Memorandum

1. When you last visited our office on 26 March, a new CIA Memorandum was shown to you on the "Soviet SA-3 System". There was no indication on the memorandum as to who had published or even whether it was a DDI, DDP, etc. issue. The memorandum contains much photographic intelligence data, including annotated photographs and line drawings.

25X1 2. In checking on this memorandum for our own information, [ ] obtained the following information:

A. This memorandum was produced by OCI.

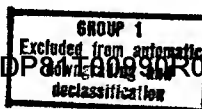

25X1 B. [ ] discussed the preparation of such memorandums with [ ] There appeared to be considerable confusion as to how the memorandums should be published because of the possible complications. [ ] suggested it might be well for the matter to be discussed with NPIC, and he offered to make the necessary arrangements and did alert [ ] as to the possibility of such publication. 25X1

C. A request was submitted by [ ] for three graphics--namely, G-4625, G-5140 and G-5821. These were produced for inclusion in the report. 25X1

D. The document was controlled and distributed by Headquarters Liaison Staff/PID at the request of [ ] 25X1

3. The memorandum under discussion, TCS-3104/63-KH, is attached, as well as one of our own publications, NPIC/R-1022/62. (These are controlled documents and should be returned to PID as soon as possible.) The line drawings appearing on page three of both publications are almost identical. However, no "G" number or reference to NPIC is given. The annotated photographs or other
